ring the recent floods in the Kapila river. To remedy this evil, orders may be issued to raise the roads in the vicinity of the river by two yards.

Reply of Government.—The mistake is on the part of the people themselves. They ought to build on higher ground. The Deputy Commissioner should prohibit building on low ground as it is attended with danger to life.

Subject No. 452
Police Force, Nanjangud.

Summary of discussion.—Nanjangud is a thickly populated place and the strength of its present Police Force is not sufficient to meet its requirements.

Reply of Government.—Referred to the Inspector General of Police.

Subject No. 453
Provision for feeding pilgrims at nights in Nanjangud.

Summary of discussion.—Pilgrims who visit Nanjangud are fed in the noon at "Sivakuta," but no arrangement exists for feeding them at night. Provision may be made for such feeding in the Nanjangud chattram.

Reply of Government.—It is not possible to provide for a second meal.

Subject No. 454
A Musafirkhana at Nanjangud.

Summary of discussion.—The want of a Musafirkhana at Nanjangud is much felt by the travelling public. Early arrangements for supplying this want may be ordered.

Reply of Government.—Referred to the Local Fund Board whose attention the subject is reported to be at present engaging.

Subject No. 455
Water-supply to villages.

Summary of discussion.—Great difficulty is felt for want of drinking water for men and cattle in several villages. Orders may therefore be issued to excavate wells in all such villages.

Reply of Government.—Referred to the Local Fund Board which is reported to be doing all that it can in this direction.

Subject No. 456
A dam for the Kapila river.

Summary of discussion.—A dam may be constructed at the cost of Government at Nanjangud to prevent the flood water of the Kapila river entering the town and damaging the houses.

Reply of Government.—This does not seem feasible. *Vide* reply to Subject No. 451 above.

Subject No. 457
Extension of Municipal limits.

Summary of discussion.—The villages of Golur, Chamalapurhundi and Kumbahalli which are within a distance of one mile from Nanjangud may be included within the limits of the Nanjangud Municipality.

Reply of Government.—Referred to the Municipal Board.

Subject No. 458
Stoppage of wet cultivation near Sosale.

Summary of discussion.—At the Assembly of 1896, the stoppage of wet cultivation on the abandoned Channappaiyana agrahara site near Sosale was prayed for on the ground of its being injurious to the two temples of Bikshes-
